From the Head Master's Desk

Last week's performance of The Magical Mystery Tour in Seabrooke's was absolutely outstanding. We are extremely fortunate to have such talent in the School, and they tackled this wonderful collection of Beatles favourites with gusto and panache. The singing was marvellous, and the backing outstanding. The audience loved it, and the energy from the stage was electric. Congratulations to everyone involved in a superb production. A special word of congratulation to Mr Collyer for his magnificent contribution. He is a consummate professional, and we are extremely fortunate to have someone of his experience and ability on the staff. Thank you. Thanks also to Ms Kirsten Smith, a student teacher from Edgewood, who added her skills to the production.

What a pleasure it was to host the staff and boys from Michaelhouse last Saturday. We have always enjoyed an excellent relationship with our friends from Balgowan, and the games on Saturday were played in a competitive but positive manner. Michaelhouse had endured a measles epidemic over the last few weeks, and on Saturday many of the school were in bed recovering from the illness. It says a lot for the integrity of this fine school that they did not hesitate to honour the fixture. Schools of lesser commitment could have withdrawn, concerned that they would not win as many games. Thank you for your commitment and friendship. Long may it continue.

The School is extremely fortunate to enjoy the support of three trusts. These are The DHS Trust, The DHS and Old Boys Memorial Trust and The DHS Educational Trust. In recent years these have been consolidated, and the 125 Trust was assimilated

into the DHS Trust. Mr Andre Potgieter has served as Chairman of the combined trusts for several years now. Under his leadership the three trusts have employed a far more innovative and enthusiastic approach to their responsibilities. The three trusts have differing responsibilities, but ultimately they are all in existence to serve the School, the Old Boys and the DHS Old Boys Club. It has been a pleasure to serve on these trusts, and they have contributed generously to the School over the years. In recent years, in particular, they have been invaluable in their assistance. In the last year alone they have contributed funds to a number of major projects. These include the indoor cricket nets, the main field floodlights, the high performance centre, the new café and tuck shop and the refurbishing of dormitories in Blackmore House. Because of their generous donations and loans we have been able to give the School a range of facilities it would otherwise not have been able to afford. I would like to extend my deepest thanks to all the trustees for their generous support, but particularly Mr Potgieter who has been a major supporter of the school. We are now confident of securing further assistance to ensure we are able to complete long awaited upgrades to the classrooms during the World Cup break.

We are also hoping to install up to date technology in the classrooms, including laptop computers, projection facilities, white boards and internet access. I am hoping to utilize our generous sponsors, Canon, for this. Canon, with Gary Hudson and Old Boy Robbie May as the protagonists, have been

The Cast of the Magical Mystery Tour

Brendan Cope, Andre Claassen, Matthew Parkinson and Darren Cooper were "capped" last week. They have all played 10 games for the 1st XV Rugby this year and each received a replica of the rugby caps that were given to players 100 years ago.

Later this month the boys above will be writing the 2nd of three rounds of the Maths Olympiad -

incredibly supportive of the School since they came on board as sponsors at the start of the year. We are delighted at the growing relationship, and can only hope that it continues to grow. I urge all supporters of the School to add their support to this campaign, and back their product. They have been excellent ambassadors for their brand, and their professionalism has been outstanding.

The School is getting behind the 2010 World Cup and our national side. We host Football Friday every week, and we are hoping to cap the support this term by dressing every single person on campus in tailor made Bafana Bafana jerseys. Old Boy

Darryl Scott is supplying 1050 jerseys at a discounted price. I have secured financial assistance from the Trusts and Canon, and at this stage each person will only have to pay R50 for the supporter's shirt. Any Old Boys out there who would like to assist in this initiative can contact me. We are hoping to have the shirts ready for Friday 21 May. Let's hope it all comes together!

Enjoy the week.

Magical Mystery Tour

Despite smallish audiences, the show kicked into over-drive for the last three performances with large enthusiastic audiences. Most impressive, was the number of musicians involved and the extent to which they were so caught up in what they were doing. Their enthusiasm was so infectious that audiences left the theatre smiling.

The standard of musicality at DHS is very impressive and all concerned must be congratulated on their work. The Beatles' songs seem so easy and yet are deceptively difficult and very challenging to play and sing. The professionalism of the boys was remarkable. Three

highly-regarded, professional musicians, who saw the show, were very impressed and were full of positive praise for the cast.

Congratulations to all involved on an awesome effort. Particular thanks to Mr Collyer, who directed the show with his usual professionalism and musical skill. We are indeed fortunate to have someone of his calibre at DHS.

Thanks also to student teacher, Ms Kirsten Smith, who enthusiastically added her skill to the production.

Once again the School showcased just how much talent there is here. Well done to all!

RUGBY vs MICHAELHOUSE

Michaelhouse would have arrived at School feeling confident after their defeat over College the previous Saturday. School played with the wind at their back for the first half and made good use of this advantage and kept the ball behind the big Michaelhouse pack. Michaelhouse were excellent in the line-out and School really struggled to win their own ball the entire match.

School were, however, superb in the loose and turned over numerous rucks. School had territorial advantage in the first half and this pressure led to four penalties by Cope to have School leading by 12 points to 3 at the break. School had two clear opportunities in the first half to put the game away but one knock on and a forward pass left the match wide open.

Michaelhouse used the wind well in the second half and it was School's turn to defend and this they did with great heart. With about 5 minutes left of play Michaelhouse threw caution to the wind and launched another attack. Fortunately for School, Niewoudt intercepted a skip pass to run 65 metres and end the contest. Michaelhouse showed good character to go straight on the attack and score next to the posts in the last movement of the match.

Final score 19 - 10 to DHS.

A good hard fought and open game of school boy rugby.

Cope - 4 penalties and 1 conversion
Niewoudt - 1 try

DEBATING

The DHS Debating Society and its partner school, Ogwini Comprehensive Technical High School (uMlazi), attended the South African Model United Nations Debating Training on Saturday 8 May 2010. This day-long and worthwhile training took place at Maritzburg College. The students were equipped with necessary skills in preparation for the upcoming provincial legislature which is scheduled to take place in August. Our school was represented by Junaid Hamid and Dylan Naidu. We wish them well in their tournament.

Congratulations!

- ◆ Reneshan Naidoo represented KZN "A" side in the Woodbo Badminton tournament which was held in Harrismith. He won all his games, KZN "A" won their section and Reneshan was graded No.1 in that section.
- ◆ Tristan Crowsen has been selected to play for the KZN U14 Seals Baseball team which has been invited to participate in the European Middle East and African inter regional tournament in Poland. If this team progresses to the next round they will go to the World Little League tournament in the USA.

SQUASH

All 3 teams went down which was a pity as some of the teams played with so much passion.

The 1st team faced Thomas More College, their partners in the Super 8 league. Both Byron Bosch and Dylan Smith played great squash and each took a game off their opponents, each going down 3 - 1. The final score was 4 - 0 to Thomas More.

The 2nd team played a strong Kearsney side and went down 4 - 0. The game of the afternoon was played by Joash Pillay who went down 11/6, 11/6, 11/6. Donovan De Beer also performed well at number 1, narrowly going down in each game.

The 3rd team faced the Thomas More 2nd team and went down 5 - 9 with Patel taking a game off his opponent.
